

HOA Beautification Mtg.
August 21, 2012
Held @ clubhouse card room

Committee chair: Gay Kern

In attendance:

Debbie Smith
Brenda Wade
Caroline Mark
Jill Braungart
Hazel Coleman
Stephanie Ring

Chris Z. was made aware of fallen tree limbs going down the entrance way. He has addressed them but says it is winter work for them after the summers mowing is over.

The 2 pond fountains are going into the 2013 budget for approval.

Soon to become a reality—houses with excessive algae will be powerwashed and bill sent to owner.

It was established that there are common areas where the ownership is uncertain. IE: is it HOA owned or Mehta owned. There are apparently deeds that need to be reviewed.

Hazel Coleman has info on unsightly mailboxes that need repainted and will report next meeting.
